**George Ling,**

**He is Outstanding, Professional, Friendly, Caring. These are words that all apply to George Ling. Those lucky enough to know George and call him a friend could add many other words to describe him. A friend to student and co-worker alike, George is a professional in every sense of the word. His character and morals are impeccable as is his attitude toward his fellow man. George is liked and respected by all and his friendship is valued by those close to him. George gives 100% every day; he is quick and willing to help others in need with no regard to his own needs.
