Santa Rosa County School Board
5086 Canal Street
Milton, Florida 32570

**RE: School Plant Planning Items for Board Meeting
June 21, 2018 – 6:30 PM**

A. CHANGE ORDER(S):

None at this time.

B. FINAL CONSTRUCTION PAYMENTS AND FEES:

None at this time.

C. REVIEW STATUS OF CURRENT PROJECTS:

1. Milton High School Track Replacement

A pre-construction meeting was held on Monday, June 11th, and the Notice to Proceed was issued at the meeting. Gulf Atlantic Constructors will likely mobilize to the site during the week of June 18th. JHI will begin regular construction observations and distribute reports to all stakeholders once construction is underway.

2. Pace High School Tennis Courts Replacement

We intend to re-advertise this project sometime around the start of July. A Solicitation of Interest email has been distributed to nine local site and concrete contractors and eleven regional Certified Tennis Court Builders (CTCB) identified by the American Sports Builders Association. We also followed up directly with the District's 'typical' General Contractors to confirm their interest in the project. As of the time this memo was prepared, we have received indications from two pre-qualified General Contractors, one pre-qualified Site Contractor and one non-pre-qualified CTCB that they would be interested in bidding the re-advertisement.

D. CONSTRUCTION BIDS:

None at this time.
