- Administrative salary increases will be determined by the Superintendent of Schools. All administrators receiving an overall annual evaluation of Highly Effective or Effective will receive an increase to be determined after all other employee contracts have been settled. Administrators who receive Needs Improvement or Unsatisfactory on their annual overall evaluation will not receive an annual increase.
- Administrators changing positions within the same job category will experience a change in salary if the new job title has a different index than their previous position. The increase or decrease in salary will be equal to the difference in indices multiplied by the base administrative salary.
