Fire Chief Danny Fureigh

Tuesday, August 7, 2018

To: Santa Rosa County School District

C/O Joseph Harrell.

Mr. Harrell,

This letter is to request the use of The Navarre Beach High School as an evacuation destination in the event of a Hurricane greater than a category 1. The only people that would be inside the building would be Fire Department Personnel that have been recalled. No family members or pets would be on premise and we would bring all necessary gear, bedding, food and water. It would be our base station after the storm passes until which time a closer location to the beach could be secured.

If you have any questions or concerns please do not hesitate to contact me via email or telephone

Thank you for your consideration.
