Status of Projects

Milton High School HVAC Renovation Phase B

- Commissioning was scheduled to be started, however during the pre-functional checklist portion it was noted that three outside air dampers had broken shafts. Contractor to provide cost to 1) Replace the existing dampers or 2) Replace the existing shafts for evaluation by the District.

King Middle School HVAC Renovation Phase A

- Commissioning is in process for the project. Contractor will address items identified during the commissioning process. The items will be re-commissioned to insure the issue identified has been resolved per the Contract Documents.
