Tentative Agreement Notice

On January 14, 2019, the Santa Rosa County School Board and Santa Rosa Education Association (SREA) reached a tentative agreement to establish a Collective Bargaining Agreement (contract) for educational support employees. The new contract language can be reviewed online through this link <https://www.santarosa.k12.fl.us/contracts/>. All other items discussed during prior negotiation sessions that are not included in this agreement have been dropped by both sides. The tentatively agreed upon document will be presented to the School Board by Superintendent Wyrosdick at the January 22, 2019 meeting with a request for School Board action (approval) to be considered pending final ratification by the bargaining unit. By reaching this tentative agreement, SREA has the opportunity to present the contract to the bargaining unit for ratification. SREA will be distributing details regarding the ratification process to the bargaining unit. Please contact SREA representatives if you have questions or need further assistance concerning the ratification process.

Please note that any formatting, grammar and/or typographical issues will be addressed and corrected during the production of the final signature copy along with the addition of a table of contents.

I have a scanned copy of the tentative agreement that will be posted at the same time for reference.
