

CHAPTER 3.00 - SCHOOL ADMINISTRATION

SAFE AND SECURE SCHOOLS

3.40+

- I. The Santa Rosa County District School Board has as its first obligation to provide a safe, secure, and orderly learning environment in all schools and at all sponsored activities for students, school personnel, and other persons.
- II. An orderly environment can only be achieved by developing procedures to control students, personnel, and other persons on school property and attending School Board or school sponsored events or activities. All procedures shall reflect the following policy provisions:
 - A. No persons other than students and employees of a school site shall be on a school campus during school hours unless they are in compliance with Policy 9.60, Visitors.
 - B. A student who is suspended or expelled is not in good standing and is not permitted on the school campus or school grounds.
 - C. Any person on a school campus or school grounds not in accordance with this policy is hereby declared to be a trespasser and shall be asked to leave immediately by any staff member. Each principal shall keep a log of such incidents, which shall provide the name of the person asked to leave and other pertinent information. If said person shall again be seen upon the school campus or school grounds, any staff member shall immediately notify the principal or appropriate local law enforcement officials without further warning.
 - D. Individuals who enter School Board property, activity, or School Board meeting without a legitimate reason and create a disturbance or refuse to leave the property or activity when asked by the Board chairperson, Superintendent or designee, principal or person in charge are subject to criminal penalty as provided in Florida Statutes. The person in charge shall contact appropriate law enforcement officials in cases of disruptive activity or refusal to leave the school property or activity and take appropriate actions to have the offender punished as prescribed by law. The Superintendent shall be notified of any such action at schools or school activities.

- IV. Emergency Operations Plan

- A. The Superintendent shall develop a School Safety and Security Plan with input from representatives of the local law enforcement agencies, the local Fire Marshall(s), representative(s) from emergency medical services; building administrators, representative(s) from the local emergency management agency, School Safety Director and representative(s) of the Santa Rosa County Health Department.
- B. As required by state law, the Superintendent shall require the use of the Safe School Assessment Survey based on the School Safety and Security Best Practices Indicators created by FL DOE Safe School Assessment Tool (FSSAT) to conduct a self-assessment of the District's current safety and security practices.
- C. Upon completion of these self-assessments, the Superintendent shall convene a safety and security review meeting for the purpose of (a) reviewing the current School Safety and Security Plan and the results of the self-assessment; (b) identifying necessary modifications to the plan; (c) identifying additional necessary training for staff and students; and (d) discussing any other related matters deemed necessary by the meeting participants.

CHAPTER 3.00 - SCHOOL ADMINISTRATION

- D. The Superintendent shall present the findings of the safety and security review meeting to the Board for review and approval appropriate school safety, emergency management and preparedness plans. The Superintendent shall make any necessary recommendations to the Board that identify strategies and activities that the Board should incorporate into the School Emergency Operations Plan and/or implement in order to improve school safety and security. The School Emergency Operations Plan is, however, confidential and is not subject to review or release as a public record.
- E. The Superintendent shall report the self-assessment results and any action taken by the Board to review the School Emergency Operations Plan to the Commissioner of Education within thirty (30) days after the Board meeting.
- F. Emergency Operations Plan shall include notification procedures for weapon use and hostage situations, hazardous materials and toxic chemical spills, weather emergencies, and exposure resulting from a man-made emergency.
- G. Procedures for active shooter situations shall engage the participation of the district school safety specialist, threat assessment team members, faculty, staff and students for each school and be conducted by the law enforcement agency or agencies designated as first responders to the school's campus.
- H. Each school shall develop and maintain an up-to-date plan based upon the uniform guidelines and including the provisions of Florida law, State Board of Education rules, and other applicable regulations.
- I. Copies of school plans shall be provided to county and city law enforcement agencies, fire departments and emergency preparedness officials.

IV. Threat Assessment

- A. The goal of the threat assessment process is to take appropriate preventative or corrective measures to maintain a safe school environment, protect and support potential victims, and provide assistance, as appropriate, to the student being assessed. The threat assessment process is centered upon an analysis of the facts and evidence of behavior in a given situation. The appraisal of risk in a threat assessment focuses on actions, communications, and specific circumstances that might suggest that an

individual intends to cause physical harm and is engaged in planning or preparing for that event.

- B. The Board authorizes the Superintendent to create building-level, trained threat assessment teams. Each team shall be headed by the principal and shall include a person with expertise in counseling (school/psychological), instructional personnel, and law enforcement and provide guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a threat to the community, school, or self.
 - 1. The threat assessment team will be responsible for the assessment of individuals whose behavior may pose a threat to the safety of school staff and/or students and coordinating resources and interventions for the individual.
 - 2. Upon a preliminary determination that a student poses a threat of violence or physical harm to him/herself or others, the threat assessment team may obtain criminal history record information. The team must immediately report its determination to the Superintendent who must immediately attempt to notify the student's parent or legal guardian.
 - 3. Threat Assessment Team members will be trained as Mental Health First Aiders.

IV. Safety - Procedures

- A. School alarms shall be monitored and malfunctions shall be reported for immediate repair.
- B. A safety program shall be established consistent with the provisions of Policy 8.10.
- C. Emergency drills (fire, hurricane, tornado, active shooter/hostage situation, other natural disaster, and school bus) shall be held in compliance with state requirements and formulated in consultation with the appropriate public safety agencies. Each principal, site administrator or transportation official is responsible for the following
 - 1. Developing and posting emergency evacuation routes and procedures;
 - 2. Assigning and training all staff members in specific responsibilities to ensure prompt, safe and orderly evacuation;

CHAPTER 3.00 - SCHOOL ADMINISTRATION

3. Identifying and reporting hazardous areas requiring corrective measures; and
4. Preparing and submitting a written report of each emergency evacuation drill to the District office.

VI. Safety – Violence Prevention

- A. The Superintendent shall develop a violence prevention plan for use by each school.
- B. Training in identification of potentially violent behaviors and the procedures to be implemented shall be provided to school personnel.

VII. Security

- A. The Superintendent shall develop and implement guidelines and procedures for reviewing each school's security provisions.
- B. The principal shall conduct an annual review of each school's security provisions and submit a written report to the Superintendent or designee for submission to the Board for review.
- C. Designate an administrator as the school safety specialist for the District, hereafter known as the School Safety Director.
- D. Each school's Emergency Operations Plan shall include security provisions including emergency lock down procedures.
