CAUTION!!! This Message originated OUTSIDE the district. CAUTION!!!

Melanie,

My name is Amanda and I have moved into Brandy Kea's position of Deputy Clerk to the Board so I will now be handling the VAB process.

I was wanting to know if I could have the School Boards selection of the 2018 Value Adjustment Board members added to either of the school board agenda's in May? I will need one member of the school board of the county, elected by the school board from among its members; and, one citizen member who owns a business that occupies commercial space located within the school district appointed by the school board of the county. This person must, during the entire course of service, own a commercial enterprise, occupation, profession, or trade conducted from a commercial space located within the school district and need not be the sole owner.

Please let me know if you have any questions.

Thank you so much,

Amanda M. Pierce
