# 2018-19 Annual Equity Update Shell

# **PART I: PROCEDURAL REQUIREMENTS:**

- A. Changes to Nondiscrimination and Anti-Harassment Policies or Grievance Procedures Submit any policies or procedures revised since the last Equity Update.

  NO CHANGES
- B. Annual Notification of Nondiscrimination for Vocational Education Programs
  - Annual Notification of Nondiscrimination for Vocational Education Programs
     Explain how annual notification of nondiscrimination is disseminated/published; and submit copies of materials that include the annual notification of nondiscrimination for vocational programs.

Student Handbooks; Locklin Technical Center Brochures; Code of Student Conduct; District Website.

SEE ATTACHMENTS for links to school sites for vocational programs

- 2. Continuous Notification of Nondiscrimination
  - Identify documents used to provide the continuous notification of nondiscrimination; and submit copies of materials that include the continuous notification of nondiscrimination.

    School Board Policy 2.72 is posted at all work sites. It is also accessible to the general public via the School Board website at: <a href="https://sites.santarosa.k12.fl.us/policy/toc.htm">https://sites.santarosa.k12.fl.us/policy/toc.htm</a>
- C. Notice for Availability of Reasonable Accommodations to Applicants for Employment
  Submit copies of webpages or printed materials for applicants for employment that include the notice that
  reasonable accommodations are available for qualified applicants with disabilities during the application
  and interview process. The notices should also include contact information for requesting
  accommodations. Notice can be picked up in person at the main School Board office located at 6032 Hwy.
  90 in Milton, FL (see attached) or it can be downloaded from the link on the Human Resources webpage
  by following the Click here link: <a href="https://srcsdhumanresources.weebly.com/">https://srcsdhumanresources.weebly.com/</a>

#### PART II: INCOMPLETE ITEMS OR PENDING ACTIONS

- A. Any Items identified during equity on-site review. NONE
- B. Any other items identified on the current or past monitoring work plans as incomplete. NONE

## PART III: STUDENT PARTICIPATION

#### **EVALUATION OF METHODS AND STRATEGIES:**

(1) Grades 9-12, Advanced Placement (AP), IB and AICE

The following percentages reflect within race/ethnicity calculations for students enrolled in AP/IB/AICE courses. In 2014-15, 16% of Whites, 9% of Blacks, 15% of Hispanics 15% of White Males, 8% of Black Males, and 11% of Hispanic Males were enrolled. In 2018-19, 17% of Whites (an increase of 1 percentage points), 10% of Blacks (an increase of 1 percentage points), 14% of Hispanics (a decrease of 1 percentage points), 13% of White Males (a decrease of 2 percentage points), 9% of Black Males (an increase of 1 percentage point), and 13% of Hispanic Males (an increase of 2 percentage points) were enrolled.

11% (24)	9% (23)	11.54% (36)	12% (40)	13% (42)
		ELL Students In AP/IB/AICE 2016-17 3% (1)	ELL Students In AP/IB/AICE 2017-18 11% (4)	ELL Students In AP/IB/AICE 2018-19 0% (0)

## **Evidence of Success**

Evaluate the progress made in increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in AP/IB/AICE courses, and in closing enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. **Evaluation must include 2014-15 to 2018-19.** 

The evaluation reveals progress in increasing enrollment in AP/IB/AICE courses for Black, Black Male, Hispanic male subgroups listed in grades 9-12. Black students increased by 1 percentage point, from 9% to 10% from 2014-15 to 2018-19. Black male students also increased by 1 percentage point. Hispanic male students increased by 2 percentage points from 11% to 13% for the same period. Hispanic students decreased by 1 percentage point from 15% in 2014-15 to 14% in 2018-19.

## **Methods and Strategies**

Identify the targeted methods and strategies to be used for the next period to increase enrollment for minority and ELL students in AP/IB/AICE courses, and to close enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Strategies should include specific action steps taken by the schools/district to close enrollment gaps.

District staff and school site administrators will continue to monitor Black and Hispanic student enrollment in AP/AICE coursework. We will implement strategies to correct perceived inequities.

High schools are soliciting feedback from minority students to determine AP courses these students would be interested in enrolling.

High schools continue to provide student access to on-line virtual AP coursework.

The schools have increased professional development/training (College Board) to prepare instructors to increase the

number of AP course offerings at our high schools. This will in turn provide relevant coursework that meets the needs of all of our students.

During the spring registration process counselors are encouraging minority students who are attempting to enroll in honors courses to consider enrolling in an AP course. Also, students who have achieved higher levels of success in their general coursework are being encouraged to attempt AP courses.

High Schools are promoting Advanced Placement coursework to all students through presentations during the registration period.

The four large high schools in our district are approved AP Capstone schools. This adds two additional AP courses to their course offerings.

ELL students have increased dramatically and will be evaluated and encouraged to enroll in AP course offerings that are beneficial to their academic success.

## **Accountability Measure and Timelines**

Provide accountability measures and timelines for increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in AP/IB/AICE courses, and closing enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Timelines may be over multiple years.

Increase the number of Black students in grades 9-12 enrolling in AP/IB/AICE courses by \_\_1\_ percentage point by the 2019-20 School Year.

Increase the number of Hispanic students in grades 9-12 enrolling in AP/IB/AICE courses by \_\_1\_ percentage point by the 2019-20 School Year.

Increase the number of Black Male students in grades 9-12 enrolling in AP/IB/AICE courses by \_ 1\_ percentage point by the 2019-20 School Year.

Increase the number of Hispanic Male students in grades 9-12 enrolling in AP/IB/AICE courses by \_1\_ percentage point by the 2019-20 School Year.

## (2) Grades 9-12, Dual Enrollment (DE)

The following percentages reflect within race/ethnicity calculations for students enrolled in Dual Enrollment courses.

In 2014-15, 21% of Whites, 9% of Blacks, 15% of Hispanics, 19% of White Males, 7% of Black Males, and 11% of Hispanic Males were enrolled. In 2018-19, 11% of Whites (a decrease of 10 percentage points), 5% of Blacks (a decrease of 4 percentage points), 7% of Hispanics (a decrease of 8 percentage points), 8% of White Males (a decrease of 11 percentage points), 2% of Black Males (a decrease of 5 percentage points), and 7% of Hispanic Males (a decrease of 4 percentage point) were enrolled in Dual Enrollment courses.

# Grades 9-12 Total Enrollment 2018-19 (8893)

#### **Evidence of Success**

Evaluate the progress made in increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in dual enrollment courses, and in closing enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. **Evaluation must include 2014-15 to 2018-19.** 

An evaluation shows that last year's goal was not met for any of the subgroups. It is important to note that there has been a consistent decrease in all males enrolling in dual enrollment coursework. However, students in the subgroups have shown an increase in enrollment in advanced placement courses. Schools will encourage male students to consider dual enrollment courses in addition to advanced placement courses.

#### **Methods and Strategies**

Identify the targeted methods and strategies to be used for the next period to increase enrollment for minority and ELL students in dual enrollment courses, and to close enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Strategies should include specific action steps by the schools/district to close enrollment gaps.

We will continue to monitor Black and Hispanic student enrollment in dual enrollment coursework. We will implement strategies to correct perceived inequities.

Since the 2016-17 articulation agreement with our local state college, eligible students in Grades 6-12 will now be allowed to enroll in on-line dual enrollment courses as well as on and off campus dual enrollment courses. Schools will actively recruit adjunct professors to teach dual enrollment courses on their campus to increase the number of courses taught and help meet the needs of more students.

During the spring registration process counselors are encouraging minority students who are attempting to enroll in honors courses to consider enrolling in a dual enrollment course. Also, students who have achieved higher levels of success in their general coursework are being encouraged to attempt dual enrollment courses.

High Schools are promoting dual enrollment coursework to all students through presentations during the registration period and at college night/college fairs, etc.

ELL students will be evaluated and encouraged to enroll in Dual Enrollment course offerings that are beneficial to their academic success.

A male student survey will be conducted to determine the dramatic decrease in male interest of dual enrollment courses.

## **Accountability Measure and Timelines**

Provide accountability measures and timelines for increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in dual enrollment courses, and closing enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Timelines may be over multiple years.

Increase the number of Black students in grades 9-12 enrolling in DE courses by \_1\_\_ percentage points by the 2019-20 School Year.

Increase the number of Hispanic students in grades 9-12 enrolling in DE courses by \_1\_\_ percentage points by the 2019-20 School Year.

Increase the number of Black Male students in grades 9-12 enrolling in DE courses by \_\_1\_ percentage points by the 2019-20 School Year. Increase the number of Hispanic Male students in grades 9-12 enrolling in DE courses by \_1\_\_

percentage points by the 2019-20 School Year.

## (3) Grades 9-12, All Level 3 courses (including AP, IB, AICE, DE and honors)

The following percentages reflect within race/ethnicity calculations for students enrolled in all Level 3 and DE courses. In 2014-15, 49% of Whites, 30% of Blacks, 46% of Hispanics, 45% of White Males, 25% of Black Males, and 40% of Hispanic Males were enrolled. In 2018-19, 55% of Whites (an increase of 6 percentage points), 42% of Blacks (an increase of 12 percentage points), 51% of Hispanics (an increase of 5 percentage points), were enrolled in level 3 courses. 50% of White Males (an increase of 5 percentage points), 37% of Black Males (an increase of 12 percentage points), and 49% of Hispanic Males (an increase of 9 percentage points) were enrolled in level 3 courses.

		3.03 /0 (1)	30 /0 (13)	30 /0 (12)

## **Evidence of Success**

Evaluate the progress made in increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in all advanced courses, and in closing enrollment gaps for black, Hispanic, black male, Hispanic male and

#### ELL students. Evaluation must include 2014-15 to 2018-19.

The evaluation reveals that the enrollment for all subgroups had significant increases. Black students enrolled in Level 3 courses in grades 9-12 has increased by 12 percentage points, from 30% in 2014-15 to 42% in 2018-19. The enrollment for Hispanic students has increased by 5 percentage points, from 46% to 51% for the same time period. The enrollment for Black males has increased 12 percentage points from 25% in 2014-15 to 37% in 2018-19. The number of Hispanic males enrolled has increased 9 percentage points from 40% in 2014-15 to 49% in 2018-19. In 2018-19 the number of Black students enrolled in Level 3 courses has increased 7 percentage points to 42% from 35% in 2017-18. The number of Hispanic students enrolled in Level 3 courses increased 6 percentage points from 45% in 2017-18 to 51% in 2018-19. The number of Black male students enrolled in Level 3 courses increased 9 percentage points from 28% in 2017-18 to 37% in 2018-19 and the number of Hispanic male students increased 9 percentage points from 40% of Hispanic Males in 2017-18 to 49%in 2018-19. In the second year of comparative data, the number of ELL students enrolled in Level 3 courses decreased 5 percentage points from 2017-18 to 2018-19.

#### **Methods and Strategies**

Identify the targeted methods and strategies to be used for the next period to increase enrollment for minority students in all advanced courses, and to close enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Strategies should include specific action steps taken by the schools/district to close enrollment gaps.

The high schools with the largest minority (black & Hispanic) populations have established mentoring programs. These mentors are successful minority business leaders (educators, physicians, lawyers, etc.) who meet with these students on a regular basis to provide encouragement and motivation. These individuals serve in challenging these students to attempt a more rigorous course of study (AP, D.E., AICE) and carefully monitor the student's progress. During the spring registration process counselors are encouraging minority students who have achieved higher levels of success in their general coursework to attempt AP, Dual Enrollment, an dHonors classes. High Schools are promoting rigorous coursework to all students through presentations during the registration period and at college night and college fairs.

The four large high schools in our district are approved AP Capstone schools. This adds two additional AP courses to their course offerings.

ELL students will be evaluated and encouraged to enroll in AP, Dual Enrollment, and other level 3 course offerings that are beneficial to their academic success. There was a large increase of ELL students enrolled in our district this school year. We will continue to encourage these students to consider the more rigorous curriculum.

#### **Accountability Measure and Timelines**

Provide accountability measures and timelines for increasing enrollment for black, Hispanic, black male, Hispanic male and ELL students in all advanced courses, and closing enrollment gaps for black, Hispanic, black male, Hispanic male and ELL students. Timelines may be over multiple years.

Increase the number of Black students in grades 9-12 enrolling in all level 3 and DE courses by \_1\_\_ percentage points by the 2019-20 School Year.

Increase the number of Hispanic students in grades 9-12 enrolling in all level 3 and DE courses by \_1\_\_ percentage points by the 2019-20 School Year.

Increase the number of Black Male students in grades 9-12 enrolling in all level 3 and DE courses by \_\_1\_ percentage points by the 2019-20 School Year.

Increase the number of Hispanic Male students in grades 9-12 enrolling in all level 3 and DE courses by \_1\_\_ percentage points by the 2019-20 School Year.

# PART IV: GENDER EQUITY IN ATHLETICS

## **Athletics Compliance Verification**

- **A.** Attach a **Compliance Verification Form** for the district (only one for the district, **not** one for each school), signed by the superintendent. **(See pages 7-8.) See Attached**
- **B.** Attach a **Participation Monitoring Form** for each school with an interscholastic athletics program, signed by the principal. Enter the number of male and female athletes for each sport. For varsity teams, enter the number of athletes. For junior varsity/freshmen/B-teams, enter the number of athletes and, if there is more than one team, enter the number of teams. (**See page 9.**) **See Attached**

- C. If the Participation Monitoring Forms indicate that schools are not in compliance with all components required by Title IX and the Florida Educational Equity Act, then each school that is out of compliance must also submit a Corrective Action Plan, signed by the principal. (See page 10.) See Attached
- D. If the district submitted Corrective Action Plans as part of the 2017-18 Equity Update, it should submit updated Corrective Action Plans to show the current status/progress of the corrective actions and evidence of completion. See Attached

# PART V: EMPLOYMENT EQUITY

- **A.** Complete the following chart for administrative and instructional positions in the school district. Enter the number and percent for each race/ethnicity and gender. Count each person only once under one category.
- **B.** Review the employment data to identify any racial/ethnic or gender underrepresentation in administrative and faculty positions. There is an underrepresentation of males in the classroom, at district level positions and as assistant principals. In addition to this, our Hispanic population is also underrepresented regarding employment.
- **C.** Identify specific methods and strategies used to address any racial/ethnic or gender underrepresentation in administrative, instructional and guidance positions. Recruitment of minorities and males is an ongoing strategy that is used in our district. However, as we see fewer people going into education the number of males is even greater.

District:Santa	Rosa	2018-19 District Administrative and Faculty Position					sitions
Administrative Positions	Total	# & % Black	# & % Hispanic	# & % White	# & % Other	# & % Female	# & % Male
Student Demographics	28855	1592 (5.24%)	2342 (7.7%)	23232 (76.42%)	3233 (10.6%)	13869 (48%)	14986 (52%)
District-Level Administrators	27	2 (7.41%)	0 (0%)	25 (92.59%)	0 (0%)	18 (67%)	9 (33%)
Principals	33	1 (3.03%)	0 (0%)	31 (93.94%)	1 (3.03%)	16 (48%)	17 (52%)
Asst. Principals	39	1 (2.56%)	0 (0%)	36 (92.31%)	2 (5.12%)	26 (67%)	13 (33%)
Teachers	2008	60 (3%)	8 (.4%)	1889 (94.07%)	51 (3%)	1672 (83%)	336 (17%)
Guidance Counselors	59	4 (7%)	0 (0%)	55 (93%)	0 (0%)	55 (93%)	4 (7%)

# PART VI: SINGLE-SEX SCHOOLS AND CLASSES

Does the district operate single-sex schools or classes? \_\_ Yes \_X\_ No

If applicable, please complete the charts and respond to the questions below regarding single-sex education in your district.

**A.** In the chart below enter the names of any single-sex schools operating in the district and the number of students enrolled.

District:	2018-19 Single-Sex Schools				
School Name	Male Enrollment	Female Enrollment			

**B.** In the chart below enter the number of classes and enrollments in all classes for courses for which single-sex classes are offered at co-educational schools in the district.

School Name:		2018-19 Single-Sex Classes							
	Male Students Only		Female Stu	dents Only	Co-Ed Students				
Grade/Course	# of Classes/ Sections	# of Students	# of Classes/ Sections	# of Students	# of Classes/ Sections	# of Students			

- **C.** Questions about the implementation of Title IX especially as they apply to single-sex education:
  - Does the district offer single-sex education?
  - How is single-sex education being justified?
  - ➤ How does the district keep track of single-sex public education?
  - What does the district do to insure there is no illegal sex segregation in education?
  - Is single-sex education intended to decrease sex discrimination in the outcomes?
  - > Do the schools provide comparable co-educational options?
  - ➤ How are single-sex educational options reviewed, monitored, and evaluated to insure they are legal?
  - Who is involved in the evaluations and guidance on the implementation of single-sex education?
  - What assurances are provided to insure that single-sex options are completely voluntary?
  - Are there pre-implementation reviews of proposed single-sex education?
  - What entities review and approve single-sex options, and what standards do they use?
  - > Is there assistance from external groups for training or consultation?
  - ➤ How does the district monitor to insure that single-sex education is not contributing to gender stereotypes or sex discrimination in outcomes? For example, is data provided on girls compared to boys, or on any other populations, such as low-income minority boys compared to low-income minority girls?
  - > Do you or anyone else monitor to learn if there is equity between and among the single-sex groupings and the mixed-sex alternatives on equity measures?
  - ➤ Please share information on why the district or school decided to eliminate single-sex education? \*This is only for those district(s) or school(s) that discontinued single-sex education.
- **D.** Please attach copies of notices to parents/students that co-education options are available and the participation in single-sex classes is completely voluntary.
- E. If the district conducts single-sex education program, please submit the completed signed Single-Sex Evaluation Verification Form. (See page 11.)

## PART VII: PREGNANT AND PARENTING STUDENTS

To ensure that pregnant and parenting students are treated in compliance with the requirements of Title IX and Section 1003.54, F.S., districts are asked to respond to the following questions regarding programs for pregnant and parenting students:

- (1) How does the district make provisions for pregnant and parenting students to complete the coursework necessary to earn a high school diploma? How are ancillary services (such as child care, health care, social services, parent education and transportation) provided?
  - Students may continue studies working with the school counselor to set up an optimal schedule, participate in on-line virtual school, or hospital homebound with doctor orders. TAPP teenage parent program, child care is provided, as long as, parent continues education in the Santa Rosa school district with guidelines for attendance. Health care, social services and parent education and transportation opportunities are provided for all participants should they choose to participate.
- (2) If the district operates a separate program for pregnant and parenting students, how are students informed of the different curricula, services or other options available through the program versus what is available at their home schools? (Attach brochure(s) used to inform pregnant and parenting students of their educational options.)
  - The Santa Rosa school district does not operate a separate facility for pregnant and parenting students. Teen parents are provided the same educational opportunities as all students.
- (3) How are school counselors and administrators trained to effectively advise pregnant or parenting students of their options to participate in regular classroom activities or enroll in a special program, and their access to curricular, extracurricular, and ancillary service programs?
  - School counselors are updated at county in-service and via email messages.
