James C. Martin

Dear Mr. Martin,

A report was made to your Principal, Ms. Ladouceur on August 13, 2019 of possible educator misconduct regarding your alleged inappropriate comments to a student and fellow employee. The Ethics in Education Act (1012.795 F.S.) and School Board Policy 6.29 require any employee who is alleged to have committed misconduct that affects the health, safety or welfare of a student to be placed on administrative leave with pay or be reassigned to a position not requiring direct contact with students pending the outcome of the investigation. This letter serves as written notice to you that Superintendent Tim Wyrosdick is reassigning you from your current position at Locklin Technical College and temporarily assigning you to a non-student contact position effective immediately with the Administrative Services department office under the supervision of Joey Harrell, Assistant Superintendent for Administrative Services. You will work in this position until this matter has been investigated and any recommended action taken.

Mr. Wyrosdick will be notifying the School Board at the regular meeting on September 10, 2019 at 6:30P.M. (Canal Street Board Meeting Room) advising them of your reassignment.

If you have any questions concerning this action, please call me at 983-5030.

Sincerely,

A handwritten signature in blue ink that reads "Conni L. Carnley". The signature is fluid and cursive, with the first name "Conni" and last name "Carnley" clearly visible.
